Ottawa SWCD 2021 Fish Sale

It's time to stock your ponds! Again, area pond owners have the opportunity to stock their ponds with fish through the Ottawa SWCD Fish Sale Program. This is a convenient and low-cost way to stock or add to your current population. Largemouth Bass are not available this spring. We hope to have them for our fall sale. We apologize for the inconvenience.
Fish orders will be accepted until Friday, May 7th.

You can now order online at ottawaswcd.com!!

Fender's Fish Hatchery will bring their tank truck, with aerator, on **Tuesday, May 18th** from **1:00-2:30pm** to our office to distribute the fish orders!

Individuals who order fish will be notified, reminding them of the pick-up time and date. **You will need to bring your own container, filled with pond water. A trash container (with a plastic trash liner) serves as an ideal container. A 5-10 gallon (clean) can is adequate for 100 fish.**

For more info call 419-898-1595
